

Fiona Ma for Lieutenant Governor 2026

Campaign Newsletter | March 2026

Hi Friend,

Spring is bringing incredible momentum to our campaign, and I'm grateful for the opportunity to continue meeting Californians across our state while delivering results as your State Treasurer.

Over the past month, we've celebrated culture and community, joined our fellow Democrats at the CADEM convention, expanded our coalition of supporters, and continued important work on education and public safety.

Here are a few highlights from the campaign trail:

CAMPAIGN MILESTONE

Strong Showing at the California Democratic Party Convention

I'm incredibly grateful for the support we received at the **California Democratic Party Convention in San Francisco**, where our campaign earned **49.34% of the vote** — a decisive plurality and one of the strongest results of any statewide race considered.

This powerful showing reflects the incredible coalition we are building across California and the confidence delegates have in our campaign.

It also sends a clear message: **California Democrats want experienced, principled leadership that delivers real results.**

Thank you to every delegate who supported our campaign — and to the volunteers who worked tirelessly to make this moment possible.

 **FEATURED EVENT**

California Democratic Party Convention — San Francisco

And of course our Featured Event is the CADEM convention!! I had the opportunity to join thousands of Democrats from across California at the **California Democratic Party Convention in San Francisco** — an incredible weekend of organizing, conversations, and community.

Our campaign hosted a busy **booth at the convention**, where volunteers and supporters helped us connect with delegates from every corner of the state. It was inspiring to hear directly from grassroots leaders about the issues they care about most — from affordability and housing to protecting workers and strengthening our communities.

We were also proud to host a **Lunar New Year Cultural Celebration**, bringing together supporters for an evening of culture, conversation, and community.

Throughout the weekend I had the chance to **speak with delegates, activists, and fellow Democrats**, sharing my vision for California's future and listening to the ideas and priorities of leaders from across our state.

Conventions like this remind me how powerful our Democratic community is when we come together to organize, collaborate, and move California forward.

Celebrating Lunar New Year — Year of the Fire Horse

We also celebrated **Lunar New Year**, welcoming the **Year of the Fire Horse** with an incredible cultural gathering filled with tradition and community.

As someone born in the Year of the Horse, this year feels especially meaningful to me. It was wonderful to celebrate with so many friends and community leaders while honoring the traditions that enrich our state.

California's diversity is one of our greatest strengths, and celebrations like this remind us how fortunate we are to live in such a vibrant and dynamic state.

 Enjoy a recap video from the event:

Standing with UNAC Nurses and Healthcare Professionals

I was proud to stand with **UNAC nurses and healthcare professionals** who show up for patients every single day.

These are the people behind every safe surgery, every recovery, and every life saved. When nurses speak up, it's about protecting their profession and protecting patient care.

Healthcare workers carry enormous responsibility, and they deserve our respect, support, and strong workplace protections. I stand in solidarity with the workers who make our healthcare system run and who take care of us and our families when we need them most.

Supporting Transportation Workers

I was also honored to receive support from members of the **Transportation Workers Union of America**, who represent thousands of hardworking transportation professionals across our state.

From keeping our transit systems running to ensuring passengers travel safely every day, these workers are essential to California's economy and infrastructure.

I'm proud to stand with the workers who keep our state moving and who fight every day for safe workplaces, fair wages, and strong communities.

Standing Up to the Fentanyl Crisis

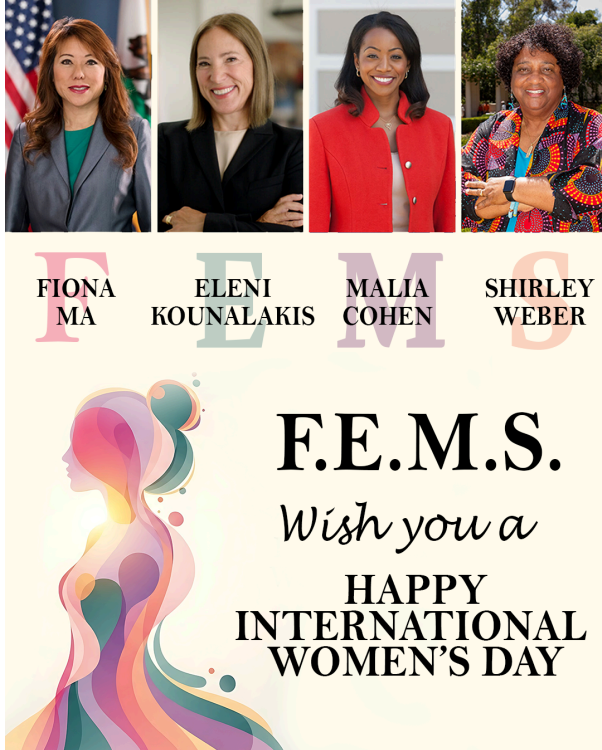

I was honored to partner with **Roman Gabriel's Sold Out Youth Foundation** to raise awareness about the fentanyl crisis impacting young people across California.

Together we visited local schools to educate students about the dangers of fentanyl and the importance of making safe choices.

Protecting our youth and supporting families is one of the most important responsibilities we share as a community.

Honoring Women's History Month & International Women's Day

March is **Women's History Month**, and we also celebrated **International Women's Day** — a moment to recognize the achievements of women and recommit ourselves to expanding opportunity, equality, and leadership for women everywhere.

Throughout California's history, women have led movements for civil rights, built businesses, strengthened our communities, and served with distinction in public office. Their leadership has helped shape the California we know today.

I'm proud to stand alongside incredible women leaders across our state as part of **F.E.M.S.** — **Fiona Ma, Eleni Kounalakis, Malia Cohen, and Shirley Weber** — a coalition of statewide leaders working to empower women, protect our rights, and expand opportunity for the next generation.

Together, we are building on the legacy of those who came before us and working toward a California where every woman and girl has the opportunity to lead, succeed, and pursue her dreams.

When women lead, California moves forward.

Celebrating Community Leadership

I also had the pleasure of celebrating community achievements, including congratulating participants in the **Miss Chinatown USA Pageant** presented by the San Francisco Chinese Chamber of Commerce, which highlights leadership, culture, and community pride. Also, thank you to title sponsor Thunder Valley Casino Resort for supporting this wonderful celebration of culture, leadership, and community.

Congratulations to Huixin “Kay” Zheng for winning 3rd Place

Kay, a graduate of Shandong University of Arts and sponsored by Adriano1Brand, is a creative content producer and dedicated community volunteer. Through Miss Chinatown USA, she honors her roots while using her voice to uplift the next generation. Her platform focuses on

youth leadership and women's empowerment through art education, storytelling, and accessible media tools.

This year's theme, "Dawn Over a New Horizon," reflects her journey from China to the United States and the belief that every new beginning can spark courage, service, and connection across cultures.

**UNITE
HERE!**

Our Coalition Keeps Growing

Our campaign continues to earn support from over 500+ California leaders and organizations across California.

This month we were honored to receive new endorsements, including support from **the American Federation of State, County and Municipal Employees (AFSCME) and UNITE HERE!**, strengthening our growing coalition of labor and community leaders.

These endorsements represent thousands of working Californians who believe in experienced leadership and real results.

Together we are building a campaign rooted in:

- ★ opportunity
- ★ economic growth
- ★ support for workers
- ★ public safety
- ★ strong communities

And we are just getting started.
